

Resolution: Exam dates

It is the opinion of The Student Parliament at UiB that students should be given the best possible terms for planning the course of their degree. Therefore, the “Forskrift om opptak, studier, vurdering og grader ved Universitetet i Bergen” (5.3.1) should be changed to allow students to know their exam dates one semester in advance.

The Student Parliament is of the opinion that:

- A paragraph that specifies when the deadline for publishing exam dates should be added to the regulations.
- The exam dates should be published by 01.12 for the spring semester of the following year, and on 01.06 for the autumn semester of the same year.
